NOTICE OF GEORGIA POWER'S MORGAN FALLS
OPERATIONS TECHNICAL WORKSHOP

(August 16, 2004)

In response to stakeholder feedback received at the July 2004 Morgan Falls Study Plan Meetings, Georgia Power is convening a Morgan Falls Operations Technical Workshop. The Workshop will be held September 1, 2004 from 8:30 a.m. until 12:00 noon (EST) at the Georgia Power corporate office address provided below. The purpose of the Workshop is to provide stakeholders with a better basic understanding of project operations. A description of project operation was previously provided in the Pre-Application Document, Scoping Document I, the Proposed Study Plan, and at Scoping Meetings, but because of its complexity, several stakeholder groups had requested at the Study Plan Meetings additional discussions of the operations of the Morgan Falls Project. A Morgan Falls Operations primer, based on stakeholder feedback received at the Study Plan Meetings, will be distributed for review prior to the Technical Workshop.

Workshop Meeting Location:
Georgia Power Company
J. K. Davis Conference Center
First Floor, Room 7
241 Ralph McGill Boulevard, N. E.
Atlanta, Georgia 30308
